Part Number	Description	Price
OpenSpace		
KS-OS-OpsCenter-***	OpenSpace OpsCenter	Please call for pricing - specific model may vary due to requirements
KS-OS-Controller-***	OpenSpace Controller	Please call for pricing - specific model may vary due to requirements
KS-OS-Service-***	OpenSpace Service Chains	Please call for pricing - specific model may vary due to requirements
KS-OS-C2-***	OpenSpace Command and Control software	Please call for pricing - specific model may vary due to requirements
KS-OS-EDGE-***	OpenSpace Edge Digitizer/Compute	Please call for pricing - specific model may vary due to requirements
KS-OS-MONICS-***	OpenSpace Edge Digitizer/Compute and RF Monitoring Applications	Please call for pricing - specific model may vary due to requirements
KS-OS-START-***	OpenSpace Starter Kit	Please call for pricing - specific model may vary due to requirements
KS-OS-RGS-***	OpenSpace RANCHER software licenses	Please call for pricing - specific model may vary due to requirements
KS-CyberC4***	Proxy and related IA products	Please call for pricing - specific model may vary due to requirements
RTL-Crypto-***	Crypto Data Bookend and Control Software Applications	Please call for pricing - specific model may vary due to requirements
RTL-DDX-***	DataDefender Reliable Data Transport	Please call for pricing - specific model may vary due to requirements
RTL-qRecorder-***	quantumRecorder software application	Please call for pricing - specific model may vary due to requirements
RTL-quantumAES	Advanced Encryption Standard (AES) software for space-ground links.	Please call for pricing - specific model may vary due to requirements
RTL-quantumBSS	quantum Best Source Select Wideband Diversity Combiner	Please call for pricing - specific model may vary due to requirements
RTL-quantumCMD-***	quantumCommand Command and Control (C2) software	Please call for pricing - specific model may vary due to requirements
RTL-quantumDRA	Digital Recording Application	Please call for pricing - specific model may vary due to requirements
RTL-quantumEdge-***	Serial-to-IP Interface(s) for quantum systems	Please call for pricing - specific model may vary due to requirements
RTL-quantumFEP	Software baseband Front End Processor	Please call for pricing - specific model may vary due to requirements
RTL-quantumRadio***	Narrowband Software modem	Please call for pricing - specific model may vary due to requirements
RTL-quantumRX***	quantum High Rate Receiver	Please call for pricing - specific model may vary due to requirements
RTL-quantumSERVER-***	Server Systems for quantum applications	Please call for pricing - specific model may vary due to requirements
RTL-quantumTA-***	Virtual Traffic Adapter	Please call for pricing - specific model may vary due to requirements
RTL-quantumTX-***	Wideband Transmitter	Please call for pricing - specific model may vary due to requirements
RTL-SNNB-***	SpectralNet Narrowband Digitizer	Please call for pricing - specific model may vary due to requirements
RTL-SNWB-***	SpectralNet Wideband Digitizer	Please call for pricing - specific model may vary due to requirements
Network M&C		
KN-C-***	Monitor devices across Satcom networks and control network devices remotely	Please call for pricing - specific model may vary due to requirements
KN-N-***	Network management across hybrid IP and non-IP networks	Please call for pricing - specific model may vary due to requirements
RF Monitoring		
KS-Tactical_Survey-***	Tactical Survey Kit	Please call for pricing - specific model may vary due to requirements
SATGUARD-***	SatGuard System	Please call for pricing - specific model may vary due to requirements
SATID-***	satID Express Geolocation System	Please call for pricing - specific model may vary due to requirements
SAT-MN-CDS-***	Monics Central Data Server (CDS) Software	Please call for pricing - specific model may vary due to requirements
SAT-MN-LNS-***	Monics LNS Software	Please call for pricing - specific model may vary due to requirements

Other Communications System Products		
RTL-CDLW-***	Standard or Bandwidth Efficient Common Data Link (BE-CDL) Software	Please call for pricing - specific model may vary due to requirements
RTL-CHSIM-***	Channel Simulator	Please call for pricing - specific model may vary due to requirements
RTL-MMR-***	Multi Mission Receiver	Please call for pricing - specific model may vary due to requirements
RTL-PTWM-***	Peregrine Tactical Waveform Module	Please call for pricing - specific model may vary due to requirements
RTL-SEM-***	SECURE ENCRYPTION MODULE	Please call for pricing - specific model may vary due to requirements
RTL-T400FC-***	T400FC Frequency Converter System	Please call for pricing - specific model may vary due to requirements
RTL-T400RCV-***	T400 cPCI Receiver	Please call for pricing - specific model may vary due to requirements
RTL-T400XR-***	T400XR cPCI Receiver	Please call for pricing - specific model may vary due to requirements
RTL-T400SM-***	T400 Spectral Monitoring	Please call for pricing - specific model may vary due to requirements
Other Ground System Products		
KS-RTL-vADCCP	Virtual ADCCP Application	Please call for pricing - specific model may vary due to requirements
RTL-RHSG	High Speed Guard	Please call for pricing - specific model may vary due to requirements
RTL-PROXY-***	Proxy Systems for Guard Applications	Please call for pricing - specific model may vary due to requirements
RTL-SVC-L***	Service Software/Firmware Licenses	Please call for pricing - specific model may vary due to requirements
RTL-T500GT-***	T500GT Gateway System	Please call for pricing - specific model may vary due to requirements
RTL-T500MX-***	T500MX Mux/Demux	Please call for pricing - specific model may vary due to requirements
RTL-T500RX-***	RF/IF Recorder	Please call for pricing - specific model may vary due to requirements
RTL-T501-***	T501 Front End Processor	Please call for pricing - specific model may vary due to requirements
RTL-vFEP-***	Software Front End Processor Application	Please call for pricing - specific model may vary due to requirements
RTL-vGTW***	Software Gateway Application	Please call for pricing - specific model may vary due to requirements
RTL-vWANIF-***	Virtualized Wide Area Network Interface	Please call for pricing - specific model may vary due to requirements
RTL-WD***	Wideband Data Processor/Recorder	Please call for pricing - specific model may vary due to requirements
Other Ground System Components		
KS-SERVER-***	Common Server, Configurable	Please call for pricing - specific model may vary due to requirements
KS1-ENG-***	Hourly Engineering Rates	Please call for pricing - specific model may vary due to requirements
RTL-CBL-***	Standard Cable Options	Please call for pricing - specific model may vary due to requirements
RTL-DFP-PCI-***	PCI-based Digital Interface card(s)	Please call for pricing - specific model may vary due to requirements
RTL-DFP-PCIe-***	PCIe-based Digital Interface card(s)	Please call for pricing - specific model may vary due to requirements
RTL-PCIe-***	PCIe-based interface card(s)	Please call for pricing - specific model may vary due to requirements
RTL-FRFP-***	RFSoM based Flexible RF Platform	Please call for pricing - specific model may vary due to requirements
RTL-FT-CHANNELIZER-***	Channelizer Translator	Please call for pricing - specific model may vary due to requirements
RTL-RACK-***	Equipment Rack	Please call for pricing - specific model may vary due to requirements
RTL-RACKPC-***	Server Class PC	Please call for pricing - specific model may vary due to requirements
RTL-SCB-***	Signal Conditioning Board	Please call for pricing - specific model may vary due to requirements

Commercial KS-1 Labor Rates		
Note: substitute the calendar year for "nn" in the part numbers below. For example, use substitute "27" for the rates applicable in 2027		
KS1-ADM-A1-CYnn	A1 Administration (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ADM-A2-CYnn	A2 Senior Administration (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ADM-A3-CYnn	A3 Senior Administration (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ADM-A4-CYnn	A4 Senior Financial Analyst (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-T1-CYnn	T1 Engineering Technician / Technical Writer (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-T2-CYnn	T2 Senior Engineering Technician / Technical Writer (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-T3-CYnn	T3 Senior Technical Writer / Mechanical Designer (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-T4-CYnn	T4 Sr. Mechanical/Integration Engineering (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-E2-CYnn	E2 Development Engineer / Test Engineer (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-E3-CYnn	E3 Systems Engineer (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-E3A-CYnn	E3A - Systems Engineer - Advanced (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-E4-CYnn	E4 Senior Systems Engineer / Project Manager (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-E5-CYnn	E5 Systems Architect / Senior Project Manager (Hourly Rate)	Please call for pricing - specific calendar year defines the price quoted
KS1-ENG-CYnn	Composite Weekly Engineering Rate	Please call for pricing - specific calendar year defines the price quoted
Support Contracts		
KS-MAINT-SPT-***	Software & Hardware Maintenance Support Contract	Please call for pricing - specific model may vary due to requirements
KS-MAINTIA-SPT-***	IA Hardening Support Contract	Please call for pricing - specific model may vary due to requirements
Epoch C2 Software		
EP-UW-***	EPOCH Telemetry and Commanding Server	Please call for pricing - specific model may vary due to requirements
EP-NTC-***	EPOCH Client Standard Applications	Please call for pricing - specific model may vary due to requirements
EP-TI-***	EPOCH Task Initiator	Please call for pricing - specific model may vary due to requirements
EP-AM-***	Archive Manager	Please call for pricing - specific model may vary due to requirements
EP-OA-***	OASYS Orbit Analysis Software	Please call for pricing - specific model may vary due to requirements
EP-ABE-***	ABE Trending Software	Please call for pricing - specific model may vary due to requirements
EP-DB-***	EPOCH Database Software	Please call for pricing - specific model may vary due to requirements
EP-TRG-***	EPOCH Client Trigger Applications	Please call for pricing - specific model may vary due to requirements
EP-ARES-***	ARES procedure executor and builder	Please call for pricing - specific model may vary due to requirements
TR-EP-***	Epoch Product Training	Please call for pricing - specific model may vary due to requirements
WEBIC-***	Webic Software	Please call for pricing - specific model may vary due to requirements
CATAPULT-***	Catapult Software	Please call for pricing - specific model may vary due to requirements
CACTUS-***	Cactus Security Platform Software	Please call for pricing - specific model may vary due to requirements
TAO-***	TAO Automation Software	Please call for pricing - specific model may vary due to requirements
XTCE-***	XTCE Data Ingest Software	Please call for pricing - specific model may vary due to requirements
